3. SHAH NAWAZ.

I was with Shah Nawaz for a considerable time during his recent stay here. Every time he was asked if Subhas Bose was alive, he replied "Let us all hope and pray that he is alive". He appeared to be both sentimental and a good actor and was at his best when among women. To many persons, including Dwijen Bose, he appeared to be out to exploit Subhas Bose's name for his personal gains and in the interests of his political career. On the eve of his departure he said that he would return to Bengal early in March to stay for some time with the main object of working among the Subhasites and getting them knitted into a strong body.

4. THE INDIAN NATIONAL GUARDS.

The Indian National guards organised by Surhid Mallik Chowdhury and which was inaugurated publicly at Belliaghata - reported previously, is being gradually strengthened. It is virtually a youth league organisation in disguise and calls itself a section of the I.N.A. Relief Comm. volunteers. Its strength for the present is about 1000, who participated in the "Netaji Birthday" celebrations at Belliaghata on 23.1.46. They could not join the main I.N.A. Relief Committee Volunteers' procession as Amiya Bose would not accept them. This was also previously reported.

The undermentioned individual has been in the hands of the Japanese. She is aged about 17 years and was born and brought up by her uncle Dr. A.K. Sen in Rangoon. When the war broke out she tried to evacuate to India but could not get a passage. She enlisted in the Rani of Jhansi Regiment and volunteered for the fighting Section. From her own statement it appears that she underwent training in drill including rifle exercises etc. and claims proficiency in bayonett fighting. She can handle a bren gun but she did not get a chance to fire on the range. In March 1945 she was sent to her uncle at Manbin and accompanied him to Rangoon in July 1945. She has been interrogated by the Military and classified "white" (a classification with which we disagree). As it is likely that her loyalty has been affected it is requested that an eye be kept on her should she return home and this office be informed if she indulges in subversive activities.

Respected Sir,

I beg to bring the following grievance for your sympathetic consideration.

I joined the I.N.A. as a volunteer from Johore, Malaya on 13th July, 1943. After my training from Bhakat Youth's training centre at Kuala Lumpur, I was attached to No. 2 grla. (Gandhi) regiment at Titic from where the unit proceeded to various fronts. My no. is 22664 (A.H.F. No.)

I took place in famous Imphal operations and wounded by a splinter of shell from enemies on my head and was brought to I.N.A. hospital at Maymyo. Apart from the wound I was suffering from axillary paralysis and so I was transferred to No. 1.

 months treatment I was certified by the
 & board as "Not attributable to I.N.A. Service"
 and I again attached to reinforcement group.
 I was in the said unit till the surrender of
 I.N.A. Now I am depending on Indian school
 master here and anxiously waiting for a chance
 to return home. I am belonging to a poor
 family in India and after coming to Malaya
 I used to help my old parents with a part
 of my earnings, up that country. Now I received
 a letter from my father stating that he is
 expecting some help financially. But as
 I am not in a position to earn anything
 for even my daily bread I request your
 good will to arrange to help me in this
 State, by sending something to my father

General Headquarters,

Subject: I.N.A. - Lt.Col.A.C.CHATTERJEE, IMS.

1. This HQ is concerned at the probable return to Bengal in the near future of Lt. Col. A.C.CHATTERJEE, I.M.S. This officer had very considerable influence in this province, and apart from his official status as Director of Public Health in Bengal before the war and his personal contacts with leaders of political strife, was appointed by Subhas Bose as the Governor Designate of the Liberated Countries. Had Bengal been invaded and captured, he would have been Governor of Bengal. This alone would give him popular support second only to Subhas Chandra Bose himself.

2. His return at this juncture would revive the excitement and enthusiasm in the INA, which at present is showing a tendency to switch to other forms of political propaganda such as cloth shortage, famine, release of political prisoners and detenus and even defence of the Maharaja of Rewa.

3. It is understood that the Intelligence Branch (C.I.D.) Bengal may petition the Govt. of Bengal to pass orders for the detention under Regulation III of Lt.Col. CHATTERJEE on his release. As it is not known what the reaction of the Govt. of Bengal will be to such a request the holding of this officer for two or three months in military custody would tide over a difficult period, at the end of which it is hoped, the popularity of the INA will have been further reduced.

4. It is suggested, therefore, that Lt. Col. CHATTERJEE should be kept in military custody outside India or failing that in custody in India outside this Command for as long as possible and at any rate till at least one month after the Provincial Elections. In Bengal these are being held at the end of March.

An early intimation as to whether such a step is possible and is approved by GHQ would be appreciated.

Interrogation report OF BARINDRA KARMAKAR son of T. KARMAKAR

Address in Singapore: No.10 Burma Road, Singapore.

Address in India: (1) Mukherji's Lane, Serampore, 30 miles from Calcutta.
(2) c/o Bonke Dass, Kaliprosad Banerji Lane, Kadamtolla, Bantra, Howrah, Calcutta.

His father was structure Engineer in Singapore, and had no property in his native place, Serampore, near Calcutta, except an old ancestral home, in Mukherji Lane, Serampore. Barindra Karmakar's paternal uncle Bonkess Dass, was living in Kadamtolla, Bantra, Kali Prosad Banerji Lane, in Howrah, Calcutta. Barindra Karmakar was born in 1927 in Singapore, and was the 2nd son of his father, the eldest being Ronendra Karmakar, who had been studying for survey and Engineering. Barindra Karmakar's younger brother Somendra Karmakar studied up to VI & VII standards in Singapore. In 1938 & 1939 they had visited Calcutta to see their uncle, and had also visited their grand-mother and aunt (mother's sister) who had been staying in their father's house in Mukherji Lane, in Serampore.

When the war broke out they had to discontinue their studies as the schools closed. Their father worked as an Engineer under the Japanese Government. Soon they came under the influence of the I.I. League Leaders, and wanted to work against the British for the liberation of India. They attended the lectures of Subash Chandra Bose and other leaders. In 1944 there was a call from I.I. League for cadets to go and study in the Officers' Training Military academy in Tokio. He applied and was selected along with his younger brother Somendra Karmakar, by a selection board presided over by Subash Chandra Bose. After the selection they were put into a school and were given training in drill, and taught Japanese language for 3 months. In March '44, the 1st batch of 35 cadets sailed to Tokio, and reached Tokio in April '44. For about 9 months they were taught the preliminaries necessary for the Military school. The subjects that ~~xx~~ were taught were, science, mathematics, electricity, politics, drill, gymnastics, and Japanese language. After this some were taken for the Aviation school, and Birendra Karmakar was taken for the Aviation school, while his brother Somendra Karmakar was sent to the Infantry training school.

In the training academy students from Phillippnes, Java, Japan, Chioc, and Malaya, were undergoing training. There was no difference regarding trainees' food and treatment. In this academy they were taught the mechanism of an aeroplane and were given instructions as to start, take off and bring the plane back to the aerodrome. They were given practical instructions in gliding and were allowed to handle gliders. Their training came to an abrupt end by the collapse of Japan, and they had to leave the school.

The Indian cadets of the Aviation school, and the Infantry school, 45 in all, opened a hostel and stayed, in it for about 2 months and the cost of their maintenance was borne by one Mr. Ramamurthy, the Chairman of the Tokio branch of the I.I. League. After 2 months the British embassy helped them to leave Tokio and were taken to Manila by American planes. From Manila they were taken in a ship to Hongkong, where they were handed over to the British. In Hongkong they were kept in the Stanley prison, till the date of repatriation to India.

After he left Singapore in 1944, he did not hear from his parents, but could guess that his parents were not in a happy or enviable state. He would like to go to Calcutta and see his uncle Mr. Bonkess Dass Kadamtolla, Bantra, Kaliprosad Banerji Lane, Howrah. Then he would proceed to his ancestral home in Mukherji Lane, in Serampore, where he expected to see his aunt and grand-mother. After about 6 months he would go to Singapore to see his parents if conditions permit.

Remarks: Dark Grey. He gives evasive replies, and does not answer in a straight forward manner. He holds anti-British and pro-Japanese views.

Dear Sir,

I wrote a letter to your committee on the 11th December 1945 for which I did not get even a reply so far. So I have to write another letter to you. I have much pleasure to bring a few lines for your kind consideration.

After my release I did not get any job yet. I was released on 28th Nov. 1945. I find much difficulty to carry on my necessities without a job. There for please find out a job for me. Regarding my qualifications I have studied up to V form and got the knowledge of English, Malayalam, Tamil, Hindustani, Roman Urdu and Malay. I got 4 years experience in Rubber plantations in Malaya. I can operate Telephones and Telegraph, but the thing is I require a few days experience in Telegraph to be a good Telegraph operator. I can assure you what ever job you offer me, I can do it satisfactorily.

I shall be much obliged if you can give me a post at your office. Hope your generous heart will take a mercy upon me.

Kindly reply me at your earliest convenience.

My dear Sarat Babu,

My brother Capt. Mathura Prasad Varma (M. P. Varma) was in the Indian Medical Service. He was last serving at Singapore. I received a letter from the Adjutant General in India telling his wife that he has been recovered and is being held for interrogation and enquiries. For some time I had no information of him beyond this that he was recovered. For the last few months I am receiving letters from him but I do not know where he is. The letter comes through Delhi but he is not there as he has written that he is not at Delhi.

He always writes that he would be coming back soon. It appears that he has joined I.N.A. otherwise he could have come back as most of the persons at Bangalore Singapore have returned.

Would you kindly enlighten me about him. We have no permission to visit him. I do not know how long it will take him to come back.

With regards
Yours sincerely

JAI HIND .

I am an officer of the I.N.A. attached to 3rd Grla Regt
(Azad Regiment) as an assistant Regimental Medical Officer. I
had to surrender from Burma on 24th April and was brought to -
Nilganj Camp near Calcutta, where I was detained as a prisoner.

P.T.O.

of war and recently i.e, only on 8th November I was released from there. I am a Cochin State subject, went to "Malaya" for a job and was employed there from 1933 to 1943 and when the National cause started, I sacrificed everything and joined I.N.A.

When I visited my birth place nearly after 14 years to see my parents I was unable to bear the shock after hearing the news from mother that my father is no more. My family was depending on my support till 1941 and after that they were not having any support or help from any body up to this time and I too was unable to give them any help due to this War. Now the poverty has kissed the gate of my family, house is mortgaged, and every thing is against to them. I have to support 8 members of my family who are actually depending on me. You can very well imagine the condition of family which has'nt got any means other than the support of a grown up member who has shared my present fate. No doubt that I was undergoing all sorts of sufferings and hardships and I am prepared to suffer any further more but I am unable to see others sufferings especially the people who are so dear to me. At present I am not in a position even to stand on my own legs and find no way to give any help or support to my poor family.

As I am a Malayan qualified medical man, a grade II dresser which is according to Malayan Government Gazette equal to L.M.P. of India. My qualification is not recognised in India and I am not able to live on my profession in India.

I hear from the paper "India Express" that a party of medical unit is shortly proceeding to Malaya and Burma to give sufficient medical aid to those who are in need in those countries.

So I appeal to you that if you are in need of my services in that medical unit which is proceeding to Malaya, please enroll my name and give me at least one strong hand to push my family boat which is about to capsize in the stormy ocean to the shore, or try to send me again to Malaya as early as possible.

Subject: I.N.A. - Lt. Col. A. C. CHATTERJEE, IMS.

1. This HQ is concerned at the probable return to Bengal in the near future of Lt. Col. A.C. CHATTERJEE, I.M.S. This officer had very considerable influence in this province, and apart from his official status as Director of Public Health in Bengal before the war and his personal contacts with leaders of political strife, was appointed by Subhas Bose as the Governor Designate of the Liberated Countries. Had Bengal been invaded and captured, he would have been Governor of Bengal. This alone would give him popular support second only to Subhas Chandra Bose himself.

2. His return at this juncture would revive the excitement and enthusiasm in the INA, which at present is showing a tendency to switch to other forms of political propaganda such as cloth shortage, famine, release of political prisoners and detenus and even defence of the Maharaja of Rewa.

3. It is understood that the Intelligence Branch (C.I.D.) Bengal may petition the Govt. of Bengal to pass orders for the detention under Regulation III of Lt. Col. CHATTERJEE on his release. As it is not known what the reaction of the Govt. of Bengal will be to such a request the holding of this officer for two or three months in military custody would tide over a difficult period, at the end of which it is hoped, the popularity of the INA will have been further reduced.

4. It is suggested, therefore, that Lt. Col. CHATTERJEE should be kept in military custody outside India or failing that in custody in India outside this Command for as long as possible and at any rate till at least one month after the Provincial Elections. In Bengal these are being held at the end of March.

An early intimation as to whether such a step is possible and is approved by GHQ would be appreciated.

My dear Sarath Chandra Bose ji,

Excuse me for the liberty
I am taking in writing to you direct.

I was a sepoy in the I.N.A.
I returned from the front line with
fractured limbs. Since then my health
was declining and so I could not do
any heavy manual work. For the past
15 days my health was worse and
now I am bed ridden. Now I am
in need of assistance and nobody
is there to assist me out of ill
health.

D.T.O.

I have no father, mother or close relative on whom I depend. I applied for help to the local I. N. A Relief Committee and also to the local Congress leaders. ~~They did~~ They discussed the matter over and regretted their inability to give any relief to me. So now we - the I. N. A - are like orphans and without our Netaji. We are left alone. Netaji took the greatest care of us as long as he lived. I wrote two letters to the I. N. A Relief Committee at Calcutta and got no reply so far.

So as a last resort I seek your help. Please reply 'yes' if you can or answer me in the negative if you are unwilling (or can't). Please

Dear Sir,

I am a member of the Indian
National Army, and on my release
from "Nilganga Camp" have reported at
the I. N. A. Relief Committee office at Calcutta
on the 1st of Jan 1946, and my name has
been registered in the books in the books
of the Office as "Serial No 112."

Now that I am at home for
sometime, I find it extremely difficult
to carry on here owing to the abnormally
high cost of living. Employment here
is very difficult to obtain as employers
are not sympathetic towards I. N. A.
personnel. In this connection, I
humbly request you to render
me some financial help for my
living. "Jai Hind"

Jai-Hind

Being given to understand that I
(Raj Deo Drona, Secretary for Netaji's Staff and
Deputy Director of Azad-Hind Police) am waiting for
repatriation to India as soon as my passage is
fixed. Since August 1945 I was detained by
the Singapore Field Security Police on several
grounds. At the moment, when I shall be able to
land at Calcutta, I earnestly solicit your
help and complete harmony for the fulfilment
of a great task given by my Great Leader
Netaji. There is no doubt you shall be much more
pleased to learn the nature of the work. I and all
my colleagues are keeping well. They are far happier
than ever. Atmosphere of this country is not
favourable — but the clouds are light —
We are carrying on — dreaming — with firm
determination the emancipation of our mother country
— the immediate complete independence of 400
million of our countrymen.

I shall be very much happier to do any
thing for you, and for my countrymen, according

give you the burning—but true spirit for
overcoming the thorny path of the day.

Sir,
I beg to inform you that the whereabouts of my brother by name A. Sundaram who joined the Indian National Army in Malaya is still unknown to us.

Before the Japanese occupation of Malaya he was a clerk in PL. N. Firm at no 45 Market Street in Singapore.

Then he joined the I. N. A. & came to Burma to launch the freedom struggle of our motherland. I met him

him thrice at Rangoon. Now I do not know whether he has sacrificed his life at the altar of freedom or he is kept as a prisoner by the British Government.

He is a lad of 20 years and his name is A. Sundaram. He has a curly hair with white complexion and with small-pox dots in his face. In the Indian Nation Army he was a Sepoy (No. 22729) in 4. Company, Platoon 1. Sect. 1. in 2nd. Ghandhi Guerilla Brigade.

So I request you to be kind enough to inquire his whereabouts and let me know where he is at your earliest possible convenience for which act of kindness I will deeply grateful to you.

to special war leave of 3 months when they disembarked and the Superintendent was intimated by wire, confirmation by Post that true to salt officials will resume civil duties. After the ~~expiry~~^{expiry} of second 3 months leave. I don't grudge those officials who remained true to salt whose faith in British Imperialism gained strength through these divide and rule policy even among the Govt. servants. These true to salt sons preferred coolie work under the Japs but failed to hear H E Nethaji a call by the noble son of Bharatha Matha to free India from Bondage. Govt of India can straight away say - that I am not entitled to civil appointment also. No use of beating about the bush. It is 10 days now The ~~Expected~~ Expected order is still coming. If at all it comes the result will be Nil. whether INA persons get their civil jobs or not I know for certain INA Personnel will never approach this Govt. for jobs. We may die of Hunger, we may be without clothes, but we will see Bharatha Matha as she ought to be.

SUBMITTED,

Service. We were asked to sign declarations .

DECLARATIONS TO BE SIGNED BY " GREY " ON DISCHARGE.

- (A) Forfeiture of Pay and allowances for the period served as POW and in INA which is an action for which but for the Generosity of the Government of India have been tried by court Martial and if found guilty sentenced to Death or transportation for life.
- (B) To observe security rules after discharge failing liable to the penalties.
- (C) Medical certificate.
- (D) Regarding settlement of all pay, arrears of Pay and other demands from the said Govt. Of India.

Myself and 2 others of INA Sri D.N.Ramachandra Iyer, and K.P. Kesavaran Naidu signed the declarations marked A.B.C. Regarding "D" it was so worded myself and 2 others above mentioned wanted clarification from the Accounts Officer. Sri Yagna Narayan Iyer who dealt with our accounts took us 3 before the Major and explained about our refusal to sign the Declaration unless it is substituted which can carry the Desired object of ours. After hearing the Major began to use abusive language as I am able enough to manage so many but you Bastards always trying to give trouble, eventhough I try my best to do you good. You people are a nuisance to me. You are fools who cannot understand what is written in the Declaration and if it is substituted It carries the same meaning . Anyhow Declaration was changed according to our Desire. After this he called us 3 manytimes and in mild tone told us that he is there to help us and said It is you who brought all these troubles on your head and no use of thinking about the spilth.

At about 19.00 hours we were paid and discharge certificates issued. One captain Cowley of the same office asked us to bring our kits. (All our clothings were withdrawn except some we are allowed to keep the moment we stepped in to that office at 14.00 hours) This Examination of kits at the time of Departure was an un-usual thing. One by one he called us and began to examine our private things, bedding, Civilian clothes, to the minutest detail. He never even let the prayer book without examination. When this over without losing time he ordered all of us to get into the truck. The Captain, and a Jamadar escorted us to the station, exchanged the warrants for soldiers check tickets and saw us off by that military special.

I dont have any grievance against the Major nor against the Govt. of India. Being a member of the I.N.A. fought against the King which is a crime according to their law. The Major being an officer in that system of Government he did his duty, but the Major has no business to use obscene languages as bastards, nuisance, fools using these words is unworthy of an officer. If I are all the 3 of us are bastards we never fell this till the day we joined the I.N.A. because our fore fathers and parents gave us this heritage of being slaves under a foreign nation for centuries. Time came to fight the enemy with weapons. We got a leader in the person of His Excellency Nethaji, the only leader who can fight this enemy by weapons. We fought what for ? As the Major said "Bastard" we never cared whether our parents were bastards in all the years of our service we served the British. After joining the I.N.A. and that too under the leadership of H.E. Nethaji, if any body says "Bastards" they are to be condemned. Every body joined the I.N.A. to protect the chastity of Bharatha Matha from the prostitution by the British. I.N.A. soldiers are martyrs, can boldly face the bullets. When the enemy is fighting in front of us, to protect the honour of my country, freedom of my mother country i.e. chastity of my country is the code of honour for I.N.A. man. Because I fought the British I will never become a "Bastard" Instead it was

actually a prayasthitha for the sins of my fore under a Neecha. I.N.A. did this pray-as-thitham.

Examination of kits and escort.

According to the Govt. communism issued some days back those who are classified "Grey" ~~xx~~ are let free to move about and on their discharge they are not being escorted. In this regimental centre, any thing may happen until we get into the train. Through search of our private clothings, photos, prayer books, beddings & E.T.C. then we are escorted to the station by E.C.O's and V.C.O's until we get into the train, they are there.

Medical Examination.

At the time of discharge every one is examined by the regimental Doctor a captain. I told the Doctor that before my joining the I.N.A. i.e. in the period I was a Pow, when doing fatigue under the Japanese, ~~one~~ to hard labour I contracted heart disease, hydrocele, defect in vision due to under nourishment, indigestion, pain in abdomen. The Doctor examined me very carefully and agreed with all my diseases I mentioned. After careful examination all the complaints were noted in the medical history sheet, and he never failed to note this also "Not attributable to war" A very good Doctor and nice Government Not only we were left to our fate, men recruited for the defence services, by un-conditional surrender of Singapore we became coolies under Japanese, i.e. for doing fatigue a civilised word according to western civilisation when Japanese never cared for better treatment of the pows doing fatigue was life and death struggle for me. At this time I contracted all these diseases. After my surrender to the British on 3.5.45 many examined me but no one cared to hear even, When I was at Kamptee Camp I sent a petition for Eye Glasses as the one which I had was ordered to be surrendered At Thikargacha. The Major had not the courtesy to reply or to send me to the Hospital. The Doctor a captain certifies at the time of Discharge as "not - attributable to war" Why? Because I joined the INA. All these disease of mine vanished into thin Air. The whole world is witnessing those sick people who remained true to salt these sick people are being compensated by way of Dance, Music, Medicine, Better food, Service by W.A.C.(I) and money. But for an INA soldier "Not attributable to war".

Back to my civil Appointment.

On my discharge from military service I was ordered by Major R.A. D'Souza A/O I/C, APS Records, Nagpur, to report to the Superintendent, RMS "M" DN for further orders. The Superintendent has to obtain the Approval of D.G. Pand T/ War Through the PMG Madras before I am allowed to resume civil duties. According to this order on 26.1.46. forenoon I reported to the Superintendent R.M.S. "M" Dn. He took down the copy of the order and asked me to go home informing if any orders are received I will be informed. Officials who remained true to salt on their discharge were given another 3 months leave in addition to

OBSCENE LANGUAGES AND ISNULTS SHOWERED ON US AT THE TIME OF DISCHARGE ON ~~xxxxx~~ 24.1.46.

The reason to cover this letter is due to unwarranted insult showered on me and other 2 officers of INA by Major R.A.D' Souza, Accounts officer and officer I/C Indian Army Postal Service Records, Nagpur on the day of my discharge.

After my surrender to the British on 3.5.1945. at Rangoon I was brought to Jhikargacha Camp. After Interrogation I was classified GREY by the Field Intelligence Corps, Eastern Command given leave for 3 months and sent home. I was ordered by Telegram to report to O/C Army Postal training School, Ambala, on the expiry of my leave i.e. 8.10.45. After 15 days myself and other 7 persons were transferred to Nagpur I/C of Records Officer, Nagpur and kept in Sitabaldi Fort, under strict vigilance. Due to strong agitation made by us and due to kindness of the Captain (Anglo Indian) Jat unit stationed at the Fort, we were transferred to Kamptee Camp on 1.11.45. and continued to remain there until our discharge on 24.1.46. We were treated nicely by the units in which we were attached for rations, and Discipline, but sorry to say we were treated badly by our own officer mentioned above, from the day we arrived at Nagpur from 25.10.45. to 24.1.46. In this period a military court of Enquiry enquired into our cases and discharged from Military Service from 24.1.46. and ordered to report to respective Divisional Headquarters ~~xx xxx~~ prior to our enrolment to the Defence services.

ABUSES/ SHOWERED ON US.

On 24.1.46. at about 13.00 hours myself and 4 others were taken from Kamptee Camp to the office Army Post and Telegraphs Pay and Accounts Office which is Demobilisation centre for the Indian

Your kind and inspiring letter to hand. The moment I opened

for me to say my pranams daily and in addition to this I am blessed
with your inspiring message. I will go through this letter everyday
as this message will be my daily prayer.

You have mentioned about my feelings which is nothing -
when compared to His Excellency Nethaji's in the month of February
dated eleventh 1945 of the Christian ERA. It is on this day of our
No 1 I.N.A. Hospital At Miyangon (8 miles from Rangoon) was raised

a fitting Honour to His Excellency NETHAJI. If the whole of HINDUS

of INA returned from Arakan-Imphal operation breathed their last
Breath kissing the mother earth, due to bombing Atrocity by the
enemies. Within 3 days of this Bombing His Excellency Nethaji coll-
-ected one crore of rupees to rebuild the INA Hospital.

The feelings of His Excellency NETHAJI on that day
and His Broad cast speech to the Indian Public the same Night will
never be forgotten.

(Count of Monte Cristo reaping Vengeance against
His Enemies of His younger days comes to my memory.
Vengeance against the Enemy in a ruthless form must
be accomplished.)

I have been discharged from the military service from
24.1.46. (3 days after my writing to you from Kamptee Camp) 9 other
officers of INA have been discharged along with me and the remain-

service in the Railway mail service "M" Division (Posts and Tele-

On arrival at home I found that the whole family consisting of 7 members are in a very precarious condition being laid down with serious types of diseases, due to want of food and proper clothing. Now I have to look after them. But what I will have to do without money, I am now thinking and thinking on, which is now a serious problem before me.

As there is no helping station in Orissa I am compelled to write to you, with a belief that my case may be taken into consideration and some monetary help may be made so that I will be freed from these troubles. I remain,

 put forth my present circumstances as follows
 with a hope to be redressed in your hands.

I was in Burma since a very long
 time. I was a labourer engaged in some Factory
 work and thereby able to earn something. After
 the Japanese invasion I lost the job. But later on
 I joined the I. N. A. I was working in the Engineer-

 unfortunately I fell in the hands of the British
 as a prisoner of war and was detained in
 Prisoners Camp in Burma. I was released
 very recently. On my way to home I had been
 to your office where I expressed my difficulties
 that may be fallen if I go home. This office

 some monetary help after I reach home and
 has given your office address to apply. (The

"Jai Hind"

It is more than one month
since my release from the D.N.A prison
Camp at Nilaganj. On my release
I have already reported to your
office on the 28th Nov. At present
I am in my home. But I have no
job and the prospects of getting any
job in these parts are very few. I
have a few dependents including my
aged parents and I am really facing
a very hard situation owing to lack
of money. So I humbly beg you to
be good enough to help me either finan-
cially or by securing a job for me as
early as possible. Jai Hind. Sd. N.N.A. Pillai

Do you mean to say that you will start practicing or get employed yourself? Well, I don't say that you cannot work for your country in this way but you just see the other side of my plan.

Now you wait for sometime (although it is going to be immediately started) and the Congress takes up the responsibility and educate you in studies that is equal to that of ICS for you call this course as the "Indian National Civil Service" you graduate. Then you are not going to let out. For the training that you have got is a training which cannot be utilised for selfish purpose except to utilise it in the proper way.

After my release from the Prison Camp
I reported at the Relief Committee Calcutta and I
was sent away without any instruction. When I
arrive my home here, I found my family helpless.
My father and mother being very old, they are
unable to work and support 6 members in the

supported by the Relief Fund Committee, I approached

a job. I cannot stand the trouble and I don't
know how to support my family.

I wrote a letter last month to the
Relief Fund Committee Calcutta, and I got no reply
for that.

Hoping that you will take immediate
steps.

Here I am doing nothing. I am an unemployed here and I have become a heavy burden to my poor family. I am penniless. The little earnings I had I left at Malaya when I started from Malaya in 1942. I have to support myself as well as my family. Hence I am in need of an urgent employment. And at the same time the deal of my feelings and duty to ward my mother land is burning feverishly.

Hence I request your advice and help in the matter. I have my university qualifications if true. I am eagerly waiting for your reply to leave Bengal or to any other place.

I note below the names of my old comrades for your easy reference.

conducted in camera at the Madras
military. Mr. E. E. Mark J. is the Sessions
Judge at Bellary was our Special Judge
and Mr. E. Thiray was the public prosecutor.
Our judgement day was on the first of April
1943. The said Judge sentenced five of
us to be hanged and on appeal at the Madras
High Court one Mr. B. Periera of Travancore's
sentence was commuted to five years R.I. due to a
certain flaw in the said ordinance and the rest
were acquitted under the ~~guise~~ guise of the so-called
law on the 10th September 1943. Similarly a batch of
two were also arrested a few months later and they
were also tried on the same ordinance under
the same charges by another judge and were
sentenced to death.

Though the Judge acquitted the rest of us
honourably and ordered for our release, the
Govt. detained us for the last three and odd
years without giving any convenience or
comfort. We were given the 'C' class convicted
prisoners diet and were treated not as detainees,
though we were also detainees. We were classed
as operational security prisoners.

The first Comrade Mr. C. G. K. Reddy was
released on the 8th Nov. '45. Gradually we were
all released along with the four Travancoreans
and one from Cochin who was the last to be released
and that was on the 7th Jan. '46.

After our release, we were taken to Travancore
and handed over to the Travancore police who
in the course of time took us to our respective
villages and entrusted the matter to the local
police. Bury Watch of the local police over me
was on vigorously. This is only an outline
of what I have to say.

Dear Brother,

May I introduce myself to you before
proceeding further. I am one of those who were
selected in the first I.N.A. from Malaya in the
year 1942. I was employed in the education
dept. of Malaya as a lecturer till the break out
of the Japanese War and I saw real Mother India
through my Indian eye only after the occupation
of Malaya by Japanese.

The simple facts I am going to narrate
before may not be news to you still I consider
it as my duty as a devoted son of our Mother
India to utilise this opportunity to pen a few
words of my career in the I.N.A. to you.

According to the "Bangkok agreement" the
Council of action member and the president
of the Indian Independence League of Malaya
Mr. Raghavan, selected about thirty of us from
through out Malaya and Singapore to train us
to serve our Motherland in the best manner
possible. All of us joined the Swaraj Institute
at Penang voluntarily and after a month's and
half's training both by the Japanese and by

and by Messrs. Raghavaram and Dr. Menon, our
riflemen. Dr. Menon, selected five of us and
put us in a Japanese submarine some time in
September 1942. While we were in the submarine,
the said Japanese officer entrusted us each a
typed sheet of paper confidentially the contents of
which I may state to you face to face when the
proper time comes. After twelve days of strenuous
voyage in the sea, we came to the shore of
Malabar and reached the land by two rubber
boats at about 2 AM on the 12th Sept 1942.

As soon as we landed, the police of the place with
the help of some Mussalman of the locality arrested
us, and after a short time we were brought to
Madras Fort to be chained dogs. Meanwhile
another fifteen of us were also arrested by the British
Military who entered India by various routes by
the information given by a traitor among us, who
eventually became the approver in our case (K. P.
Balan of Tellicherry Malabar).

So all the twenty of us were put in the dark
cells of the Madras Fort under the most humiliating
and painful conditions for about five months.
In the meantime the Govt. promulgated the so-called
ordinance No. 1 of 1943 [Enemy agent ordinance]
after studying the poor and low of our position,
so that we may not escape the gallows. On that
ordinance, the Govt. framed charges against
us (15 of us) and a mock trial was conducted

Dear Sirs,

I was a Sepoy in the Indian National Army,
my number being 16334, 5th Guerrilla, Division No. 2, under
the command of Lt Col. Saigal.

I was released from the detention Camp at Nilgunj
on 21.12.1945 and after visiting the Relief Committee Office, there,
I reached home safely. The speech made by Mr. Arvinad
Bose, our Netaji's brother's proud son, then, brings fresh
in my ears. The patriotic exhortations made by our Netaji
at Kottaya remain ineffaceably impressed in my mind.

When I returned home, I found my father no more, and
my mother and young sisters and brother subjected to object
poverty and diseases consequent on it. The sudden death
of my father, a year before my arrival, practically explained
my mother and very young sisters and brother, hence I
happened to be the eldest in the lot. My presence, here,
at this critical juncture in no way better the situation,
for, I find no avenues opened at this end to earn a
tolerably decent living. However, I am doing my best
to open up some way of living and until that is found
the relieving hand of some one will bring up on
us much solace.

So, I feel thankful to you, if you will kindly
extend to me a helping hand.

Jai-Hind. Assuredly Ever Yours

It is more than two months since my release from the
I. N. A. Prison Camp at Nilaganj. I belong to the Re-Construction
dept. of the Azad Hind Dal. Till now I was not able to
secure any job for me. I have no other source of income to
live upon and in fact it was my poverty that drove
me to F.M.S. some 6 years before. I have got my mother and
sister who is unmarried to be supported and while I was
in Malaya they were directly under my support. After the
war also my mother was getting a small allowance from the
Malayan Representative in India. But by Nov. 1945
the month in which I was released, that allowance too was
stopped. The condition of my surroundings is worse than
what it was when I started from my house. From the
very day of my arrival here I am faced with various
difficult problems especially that of earning an
honest living for my family. Moreover my sister is sick
since the last six months and I am also not in good
health since my arrival here. I am financially so
broke that even for barest necessities I have to depend
upon others. So I request you to do some help to save me
from my present difficulties. Thanking you in anticipation

Respected Sir,

I beg to bring the following few lines
to your kind consideration.

Sir I worked in I.N.A. and my
registered No. S/N Madras 485 and reported on
11/46. Now I am remaining without any job
since I returned from our camp "NILGANT" and
suffering from want of food and cloth. No
doubt that we suffered a lot to get freedom
to our mother land in the active field. I
returned on 31.12.45; but the sufferings are
yet going without any change. Therefore I
need not express my present position. So I
humbly request you to help me either giving
a suitable job or by sending some
amount of money for my simple food
at an early date.

Very day I am anticipating
your favourable reply and arms.

Respected Sir,
I beg to submit the following few lines for your kind
consideration and favourable orders.

Sir, one and half month has passed after my release
from the Nilganj detention Camp. I am a poor man. And the
rain also failed in this year. So it is very difficult for
me to make both ends meet. I was a fitter when I was
in the army.

I have applied twice for the Madras relief
Committee. But I have not received any information

So I request your honour to be kind enough

me in any post as early as possible.

Thanking you for your favourable reply.

Sir,

I beg to submit the following few lines for your
sympathetical consideration and favourable orders:

I had returned from my Company to my native place
in the month of November 1945 and I am still remaining
here. During these 3 months I am suffering great diffi-
culties both mentally and financially. Here I have no
such enough circumstances to feed my life nor to feed
my family. Now I am chiefly depending upon the help
rendered by my intimate friends and relations. As a
result I have with me not even a single pie for my own
pleasure. In such circumstances I beg your gracious
honour to be kind enough to help me in my critical and
helpless situation, so that my life time at best for some
days may be free from starvation.

In connection with pice work wages conducted by
big firms I have the honour to inform you that no such
firms are established as above. Moreover I am undergoing
treatment due to my unhealthy body condition. Such is the
health of mine.

Therefore I once again most humbly beg your pardon
to give me any sum as your own pleasure and thus support
me from my helpless condition. For which act of kindness
I shall as in duty bound every pray.

I beg to remain
Sir,
Yours obediently,

Sir, Jai Hind.

1. I beg to inform you that nearly about 1,000 officers and men of the Indian National Army, recruited in East Asia, are detained in Rangoon Central Jail since 6th May 1945 for repatriation to India. Our strength today is, Officers 94, Other Ranks 927, total 1,021.

(b) It is very well understood that there was shortage of shipping during war time, but at present we fail to understand why accommodation for our repatriation is not available for the British Military authorities, when Indians from civil side are being removed to India in big numbers through normal channels.

(c) Moreover, we fail to understand, when Major General Shah Nawaz and other officers and men of the I.N.A. were released in India, we in this Rangoon Central Jail are being made the victim of a change of policy. If the G-in-C's judgement in the first I.N.A. Court Martial held in Delhi Red Fortress, is correct, we should be at once be repatriated and released in India. Similarly, when there is shipping accommodation for the ex-I.A. (I.N.A.) troops, there should also be accommodation for us held under No. 110 Indian Prisoners of War Cage's custody.

(d) Hope you will please put up this matter to the higher authorities and inform them that the policy of showing mercy to the I.N.A. members and retaining the others outside India in various Jails is not commonsense, but a complete bankruptcy statesmanlike.

2. Many of we officers and men, at present in Rangoon Central Jail, have been recruited in East Asia and moreover I am bold enough to say that we, in addition of being members of the Indian National Army are disciples of H.E. Netaji Subhas Chandra Bose. We, it is well understood, have left all our wealth, properties ~~and relations~~ behind in India. Some of us have distributed their belongings among their friends and relations. Under these circumstances and others, at present, none of us are willing to return to Malaya. Most of us have made up our minds to join with the I.N.A. high ranking officers and serve for the Mother Land. On the other side, a few of us, i.e., Invalides and some of the married men, are willing to join with their families. For such personnel I hope, you will please be kind enough to employ them in suitable jobs. There are also a few men amongst us whose family solely depends upon them. Here I am happy to inform you that even some of the men under these category have made up their minds to join any sort of National Movements under I.N.A. Officers. The family of such men, I request, should be well supported by your committee fund. Moreover, families of those I.N.A. Officers and men who failed to return from the front line, should also be looked after carefully. Your office should also take pains in educating children of such expired members of the Indian National Army.

3. On receipt of your reply, I shall be ready to submit full details and Nominal Rolls under different categories as mentioned in para 2 above.

4. We, officers and men of I.N.A. in Rangoon Central Jail, are sending our JAI HINDS to Major General Shah Nawaz, Colonel G.S. Dillon, Colonel P.K. Saghal, Colonel K.P. Thimayya, Major General A.D. Loganathan, Major General M.Z. Kiani, Major General Chatterji, Leaders of India and all the rest concerned.

Dear Sir, I am one of the 45 I.N.A. Cadet Officers,
who were brought from Japan, and released at Madras
last month.

After staying for a month in Madras
City, I have just returned home about a week
ago. At Madras we were told that we have to
wait until National Govt., is formed for our future
education. So they have asked us to be patient
for the next few months regarding our education
or employment.

Regarding our present maintenance, they
have told that if any of us have no home
inside India, we are welcomed to stay at the
I.N.A. Relief Camp in Madras until anything
is

(2 Contd.)

AO 11-A 867-1944-45-3,200-4,80,000

is arranged for us. Those who have their home and parents here, are asked to go back home and stay there. Regarding financial help at present, they have said that because the fund which has been collected in Madras is very little (about Rs. 40,000 by this time), they are unable to render us any financial help. In my case, I have to support my entire family (5 members including myself). My father has expired and I have no brothers. The person who can support my family is only myself. I have no other property except the little house in which we live. I have no other income, too. All these days, during my absence, my people managed to live by borrowing money from friends. It is shame on my part to borrow money again. I need immediate financial help; at least until I get any job if I have to. As I know that the I.A. R.C. in Bengal has collected a large sum of fund, I have decided to apply to you for some financial help.

Things have considerably changed

merchants and traders have collected heaps

JAI HIND

Lest we forget our great General Mohan Singh.

I most humbly beg to bring to your kind notice that General Mohan Singh founder of the first I.N.A. who is in detention at the present in the Red Fort, Delhi, is really a very big personality and a Military genius. He belongs to my village and since his boyhood he was found to be recklessly adventurous. The loss of his parents since his childhood was to some degree responsible for his many daring actions. He was terribly a brave man during his self-made career since the days of his early education. His views even when he was in the British Indian Army were more or less of a very revolutionary type and these very views he had he had tried to put into practical shape when he got some chance in Malaya and Singapore. All his villagers feel awfully for him and his continued detention without a trial is causing us grave anxiety. Your honourable self who is interested in the I.N.A. Relief Committee work, as reports are reaching in our village, are not taking as much interest as it should have been. As a matter of fact we had expected the General's release soon after the first I.N.A. trial was over and the Officers set free. General Mohan Singh was all along kept under the Japanese detention and was unable unluckily to take part in actual fighting in the I.N.A. while the offensive took place. We are receiving reports that the detention will be of unlimited type in this case even after all the present I.N.A. personal(?) are released or otherwise dealt with. We therefore fear that his case is not being properly handled or at least the approach is lacking in interest.

We all the villagers are of opinion that General Mohan Singh case deserves very great importance and should be dealt with due respects and interest. It may please be remembered that the General ran many risks of life while campaigning and preparing the first I.N.A. He was spared luckily and there was God's merciful hands in the same. We therefore earnestly request that immediate steps be taken in this connection of saving him from the rotten conditions under which he is presently detained. It will be favour if his case is made specific issue of the I.N.A. may be treated separately.

Hoping to be favoured with necessary action.

Yours obediently,

PS. For fear of exposing myself to Govt's untoward action I am not disclosing my identity and address.

Sir, I beg to lay the following few lines
for your kind consideration and necessary
action. Whatever I earned and owned
during the course of twelve years have
sacrificed for I.N.A. at Singapore in 1941
and as a result of active part in I.N.A.
became a prisoner in the hands of the Govt.

I had my release from Neelganga Camp
on 14.12.45 after eight months horrible
detention. On my arrival at home I
had to arrange the marriage of my sister
who had become of age, which costed
about 700/- seven hundred rupees a big
loan on my shoulders. Since my release
I am at home a jobless and a penniless
creature. Keeping in view the above
will you please be so kind enough
to sanction some gratuity and a job
to remove burden from my shoulders
already explained. I hope this humble
request of mine will meet your kind
consideration. An early reply will be
appreciated.

Yours obediently

Dear Sir,

I have the honour to inform you that
my son Mr. M. N. Mookerjee was at Katabhara in
the Malaya State, before the town was ~~in~~ invaded
by the Japanese. It was the town through which
the Japanese entered the Malaya State. During the
course of war, I did not hear from him anything.
But in October last, I received a letter from him
informing that he was coming back to India
by the next available steamer. But up to this
date, he has neither come back nor I have
received any letter from him. Very lately (about
last week of January, 1946) I received a letter
from one Mr. Soon, a friend of his, informing me
that my son was detained as a political
prisoner, and was refused bail. Mr. Soon requested
me to help Mr. Mookerjee in his troubles. I am
at a loss to find ways and means to

STATEMENT :- I joined the Indian National Army voluntarily at the very beginning of the same when Captain Mohan Singh was the Commandant of the same. At that time I was posted in the Intelligence Group. After six months at the Crisis I was transferred to Provost Unit (Special Platoon) for secret duties. I was appointed L/NK. on 1.12.43 and reclassified as an Office Clerk in the Deputy Provost Marshal's Office. There I was promoted Naik/Clerk on 1-2-44 and Hav./Clerk on 1.5.44. I left Singapore on the 31st August '44 and arrived at Rangoon on 3rd Jan 45 where I was posted as the Office Superintendent of Deputy Provost Marshal, Supreme Command, Burma, till I was promoted to the rank of Sub-Officer before surrender on 3.5.45.

We were kept under the British Custody in the Rangoon Central Jail and were brought to Jhikar Gacha Interrogation Camp via Calcutta Harbour on the 23rd May '45. From there we were directed to No 2 Bn. I.A.M.C. Lucknow (Training & Depot Centre), where we were again tried in a Court of Inquiry in the month of November 45.

According to G.H.Q.(I) No 98664(a) dated 11.9.45. Regarding Disposal of the I.N.A. personnels (Greys), I was discharged from the Military Service with only 42' days pay and Ration money upto my native place.

QUESTIONS PUT TO ME IN THE COURT OF INQUIRY.

- Q. Which is your Training Centre ?
 A. No 2 Bn. I.A.M.C., Lucknow.
 Q. Your date of enrolment ?
 A. 2.7.41.
 Q. What was the rank at the time of enlistment .
 A. Store Keeper Sepoy (Hav. in General promotion)
 Q. When did you leave for Oversea Service ?
 A. Jan. 18th 1942.
 Q. Where were you made Prisoner of War by the Japanese ?
 A. At Singapore (Malaya).
 Q. When ? Ans. On the 15th Feb. 1942.
 Q. Did you joined the I.N.A., when and why ?
 A. Yes, I joined the I.N.A. in Singapore on 29.9.42. I joined the Indian National Army because I thought it better ~~was~~ to be under the I.N.A. organised by the Indian for the liberation of our mother country, than to remain as Prisoner of War under the Nippon Authority.

Asoke Kumar Mitra, s/o the late B.N.Mitra of Kalachara, P.S.-Chanditola, Dist. Hooghly was a P.O.W. and who joined the I.N.A. He has been finally classified "Black" by a court of Enquiry and will be dismissed from service on or before 26.2.46. The S.P., Hooghly reports that A.K.Mitra's father sold his house at Hooghly (about 10 years ago) and left the village. It is requested that an eye be kept on him should he stay with his uncle Dr. S.N.Mitra at 388 Upper Chitpore Road in case he indulges in subversive activities.

A short note on him will shortly follow.

Interrogation report on Ajit Sen Gupta (18 years) s/o
Anil Sen Gupta of Dover Street, Calcutta and of No. 7
Bukitchagar Butterworth near Taiping.

His father an electrical engineer was working in Perak Power House Company at Butterworth. He went to Malaya along with his parents about fourteen years ago and had been to Calcutta thrice. He has his mother, K. Bala, younger brother Amal Sen and Kanai Sen and one elder sister Aneema and also three younger sisters. He studied in the Anglo-Chinese School at Kampa and in Government English school at Kwala Kangsar up to Junior Cambridge and discontinued his studies in 1941 and due to the outbreak of the war. After the occupation by the Japanese, he attended classes in Japanese language in a school newly started at Butterworth. For sometime he was attending the electric Power House in which his father was the engineer and was having practical instructions.

In September 1943 he was selected as an Officer Cadet for military training in Japan along with 34 others by Sunhas Chandra Bose. After the selection himself and other cadets were given training in the local "Azad School", in Japanese language, P.T. and marching drill. In about March 1944 he went to Japan along with the other cadets and arrived at Tokyo on 10.4.44.

After reaching there all of them were put in a Preparatory School managed by the Japanese Military Officers where they were taught the Japanese language, elementary science, mathematics, drill, P.T. This training was for about seven or eight months. At that stage a selection was held in which he was selected for Land Forces. Then he entered along with others the Japanese Imperial Military Academy where they were taught Japanese military language, rifle exercises, horseriding, trench warfare, use of light machine guns, map reading and theory about telephone. The expenses of the Indian cadets were met by the I.I.L. though they were under the charge of the Japanese Military officers for purposes of training. The entire course should have covered four years in normal times but due to the war conditions and Japanese reverses, the training was rushed through with a view to complete it within two years..

The Military Academy had to be abruptly closed following the sudden Japanese surrender. Thereafter, the cadets of the Military Academy and the Aviation School were looked after for two months by one Ramamurthi, the Chairman of the I.I.L. of Tokyo Branch. Then they approached Lt. Col. Figges of the British War Action in Tokyo who in turn sent them to the American 4th Replacement Depot at Zama. After a brief interrogation they were sent to Manila by air and from there to Hongkong by sea where they were put in the Stanley Prison. They were kept there for about twenty seven days and then handed over to the Red Cross on 10.12.45. They left by s.s. "Glencarn" and arrived at Madras Port on 29.12.45.

Copy of a letter written in English dated 23.2.46,
intercepted at Bowbazar P.O. on 27.2.46, bearing the
postal seal of issue "COLOMBO 2-P.M. 23 FEB 46"

From:- P. Swasambo (?), Richard Pieris & Co Ltd., Colombo.

To:- K. Navaratnam Esq., 131 Bow Bazar Street, CALCUTTA.

Richard Pieris & Co.Ltd.,
Colombo. 23. 2. 46.

My dear Nava,

Your letter of the 18th to hand yesterday and the
contents rather disheartening. Really my heart is heavy
since I read your letter.

Immediately on receipt of your I consulted our
Accountant and with regret he refused to grant me leave.
In April 1945 this year I was on bed for two months and
all my leave vanished. Till the 1st of April I can't get
a single day leave. This is exactly the position in which
I am. If you are unable to come to ~~my~~ ~~my~~ Ceylon within
a comparatively short time on the 2nd of April I have to
apply for leave and to go to you. I can make out from your
letter that you are in a very bad corner. I don't mind
chucking away my job if you find that my presence in Calcutta
~~ixxixixix~~ is imperative.

I thank Mr. Sarat Chandra Bose for his assurance. ~~ix~~
Please tell him that I would be ever grateful to him, if he,
could arrange your way to Colombo at an early date and also
your education.

Your know India is in an upheaval in politics and
everybody is ^asuspect. My advice for you at the moment is
to keep ~~xxx~~ away from politics and no talk about it. Guard
your expressions for you do not know who are your friends
and who are your enemies. You are in a strange country and
nobody to look after you. You must make all efforts to come
here and be here until the tension in Calcutta eases. Be
careful please. Take this as a command from me. What I
want foremost is that you should extricate yourself from your
difficulties. Keep in touch with Sarat Chandra Bose.

You are quite right in asking money from Dad. I will
see that you get enough money. You must have clothings.
Please write to me whether this Rs 5/- is meant for your food
or for your private expenses only. Check up your postage.
You pasted 14 annas worth of stamps whereas the nominal is
3½ for Air Mail and one and a half ~~xf~~ for ordinary. I may
be in the wrong. If it is 14 as for air mail it is rather
costly & it is better you send by ordinary post. Air Mail
from here is 20 cts which is roughly 3½ as.

I also have a lot of advices to give you but I am
afraid that my letter might fall in another hands I greatly
regret that I am unable to come to your rescue but if my
presence is imperative please wire me.

Your sister sends you her love.
Submitted.

Dear Sir, I am one of the students who was
selected by our beloved Netaji and sent to
Tokyo for military training, and was among
the ten cadets in the Air Force Academy.

I am now here in Madras, doing
nothing in particular. Recently, one of our boys,
Ramakumar, who met Sgt. Sarat Chandra Bose,
came over here and informed me that
arrangements are being made for us to
continue our training in Aviation.

Kindly inform me at your earliest

arrangements for us.

I am very eager to know whether
all this will be in the immediate future,
and shall look forward to your reply.

Yours sincerely,

English translation of an intercepted letter in Bengali dated 4.2.46. from Anath Bandhu Dutta, Contractor, Merchant Street, Mandalay to Sreeman Anil Ranjan Dutta C/O S.J. Amiya Nath Bose and S.J. Sitaram Saksaria, Secretaries, Azad Hind Fouj Relief Committee, Bengal, Calcutta.

4.2.46.

Beloved Khoka,

Jay Hind, I was very glad to see the news of your arrival at Calcutta in the "Ananda Bazar" yesterday. After our quarters at Katha had been destroyed by planes on the 5th July 1944, we took shelter in a Gurkha Basti at Pelipeye and having stayed there for 15 days purchased with great difficulties two boats for rupees ten thousand and reached Mandalay. I wrote you about this. I also sent a letter to you even through Netaji. When he left Tokyo he brought your letter and sent the same to me from Rangoon. But I think you did not get our letters at all. After your departure I gave Mukul in marriage with Sreeman Barin Sen Gupta. She has given birth to a male child. He and your elder brother-in-law refused Govt. service and have started dispenseries separately. Sreeman Kumud has started at B. Road and Barin at Paoteyetan. All are keeping well. Bhaiya always speaks of you. He can speak very well now. Sreeman Gouranga is reading in the Prinpiter School. No sooner did the British Government recaptured this country, they arrested myself and Banu from Mandalay and after keeping us outside for a month passed orders to put us confined in the Pagan Neyau Jail for six months. Dr. Sen Gupta the President of Manalay, his brother and many Indians and Burmese were confined in that Jail with us and we were released from that Jail on the 19th September 1945. Your brother was arrested at first with me and released after a few days. After my release I came to Mandalay and saw that he was again arrested and detained in Mandalay for a month and transferred to Inshin Jail in Rangoon. He has been released on the 26th November 1945. He is now in Mandalay. You do not know that your Mydidi (sister) Sreemati Parul has also been given in marriage. She is now living in our quarters at Hailakandi and her husband Sreeman Kshitish Ch. Roy has been practising there as a lawyer. She has got a son and a daughter. Your Mejo Kaka and Sejo Kaka (uncles) are also living there. Write to them. If the Congress have made any arrangement for your training, accept it. I have written elaborately to the Secretaries of the I.N.A. Relief Committee, Bengal. But before joining the training, try to come and see your mother and sisters once. Also try to see your uncles and Mejdidi (sister) at Hailakandi. The Japanese killed your Kakamani (uncle) Bhagabati, Mahendra Singh A.P.W.I. and eleven Gurkhas. They, in this way, killed many people. I will soon see the D.C. and try to make arrangements to bring you down here. Take special care of yourself and remember the instructions of Netaji and I pray to God that you may carry out his (Netaji's) orders. Jay Hind.

Dear Sir,

Understanding from a reliable
source that your paper of the 18th February
instant, has published a news under this
heading - "Azad Hind Men are rotting in British
Camps in Europe". This news has given a
list of 10 heads, including the name of Mr
P. R. Sen, who is my eldest brother. He was
one of the pioneers of the Anarchist movement
in India. He somehow managed to go to
Europe and is being held up there for 20 yrs.
During his stay in these years in Europe,
he has earned an international reputation
and became a popular figure by his
manyfold activities. Later(?) he became
the assistant of Netaji and helped
him to form the I.N.A. in Berlin. But
I regret to inform you that the Calcutta
Newspapers has not yet published this
news. I will be much obliged if you
kindly send a copy of that date by
V.P. Thanking you in anticipation.

Sincerely,

A short note on B.Narayan s/o Dr. D.Narayan of 79/1 Lower Circular Road, Calcutta.

.....

11798
17.

Nothing is known about the early history of B.Narayan, except that he was born in 1916 and that he passed the B.Sc. examination in 1937 from St.Xavier's College, Calcutta. He then worked as a clerk in the Patna High Court and subsequently joined the Army in 1941. After a course of training at the Officers' Training School, he was commissioned as a 2nd/Lt. and posted to 9/8 Punjab Regiment at Fyzabad. He was drafted to Malaya in December '41 and became a prisoner of war at Singapore on the 14th February '42. He escaped two days later and remained in hiding but surrendered at Serangoon Road Prisoner of War Camp on the 15th March, '42. He then fell ill and was in hospital for about a month. According to his own statement, he volunteered for the I.N.A. on the 2nd September, '42 to secure better food and treatment. He was commissioned as a "2nd Lt" in the I.N.A. and was appointed "Adjutant" in the Reinforcement Group at Bidadari Camp. He was promoted "Captain in the I.N.A. on the 15th October '42.

After the arrest of Captain Mohan Singh, General Officer Commanding, the I.N.A., B.Narayan resigned in December '42 and reverted to Prisoner of War status but volunteered for the reorganised I.N.A. in March '43 at the first taste of reality as a Prisoner of War. In December, 1943, he was selected to organise an I.N.A. Training School in Shanghai, where he proceeded with a nucleus staff. He reached Shanghai on the 6th May '44, and, with the help of the local Indian Independent League, established a School for training Indians in P.T. Arms drill etc. He visited Nanking in October '44, on the invitation of the Foreign Minister of the Japanese sponsored Nanking Govt., and returned to Shanghai after collecting funds for the I.I.L. He was promoted to the rank of "Major" in November '44. His training school continued to function until it was closed down due to the collapse of Japanese resistance in August '45.

The Military authorities opine that D.Narayan is an amiable weakling whose time serving conduct as a whole hearted collaborator and a supporter of the I.N.A. is considered to warrant his classification as BLACK.

D.I.B., 24 Parganas reported on 2.8.46 that out of the eight cadets, J.J. Parthachary was admitted into the Jadavpur College of Engineering and Technology. Although permitted to join, Robert S. Prosper was not taken in by them.

INA cadets P.K. Mitra and N.C. Mukharji were residing at the INA camp at G Dwaraka Nath Jagre Lane, Calcutta in June, 1946.

The addresses of INA cadet B. Karmakar alias Ravindra Karmakar as known to his office, are (1) Mukharji Lane, Laxmapur Booghly and (2) C/o Sanke Das, Kali Prasad Banerji Lane, Howrah. These transpired during his interrogation by the Security Officer, Calcutta Madras SB. The Mukharji Lane address of Karmakar was verified correct. Short Note on Ajit Sen Gupta s/o Anil Sen Gupta of Dover Street (?) Ballyganj, Calcutta and of 13, Guru Prasad Ray Lane Calcutta and of 7, Bukitchagar Butterworth, Malaya.

(Born in about 1928).

Ajit Sen Gupta was brought up in Malaya. His father was an employee in the Park Power House Company at Butterworth. He read up to the Junior Cambridge standard in the Govt. English School at Kwala Kangser and gave up his studies in 1941, due to outbreak of war. After the occupation of Malaya by the Japanese he attended a newly started school at Butterworth to learn Japanese. In September 1943 he was selected as an officer cadet for military training in Japan with others. He received training in the Japanese Imperial Military Academy, Tokiya, but due to the abrupt surrender of the Japanese the Academy was closed down. He surrendered to the British authorities in Tokiya and was sent to India via Manilla and Hongkong.

He was classified "Dark Grey" by the Military.
